## **Final Report now available: IIU concludes investigation into injuries to youth during confrontation with WPS**

On March 5, 2019, the Independent Investigation Unit (IIU) issued a media release advising that it had concluded its investigation into an incident in which a 16-year-old male was injured during a non-fatal officer-involved shooting around Mountain Avenue and Salter Street in Winnipeg. It has concluded the officer was justified in firing his weapon.

The final report of the IIU was not released as charges were pending before the Courts. Charges have now been disposed and the IIU final report is now available on the IIU's website. The details of this investigation were first announced on October 4, 2018.
