Final Report now available: IIU concludes investigation into injuries from motor vehicle collision following police pursuit

On February 13, 2020, the Independent Investigation Unit (IIU) had issued a media release advising that it had concluded its investigation into injuries to a male from a motor vehicle collision following a pursuit by members of the Winnipeg Police Service (WPS). The IIU has concluded no charge should be laid against any officer.

The final report of the IIU was not released as the affected person had charges pending before the Courts as a result of the incident. Those charges have now been disposed and the IIU final report is now available on the IIU's website. The details of this investigation were first announced on May 23, 2019.
