IIU investigating alleged inappropriate conduct by RCMP officer

Manitoba's Independent Investigation Unit (IIU) is investigating an incident that involves allegations of sexual assault by an RCMP officer in western Manitoba.

On December 10, 2019, the IIU was notified by RCMP "D" Division that it had received a complaint about the inappropriate conduct of an officer while off duty. It was alleged that in December 2016 the subject officer committed a sexual assault.

The IIU civilian director has determined it is in the public interest for the agency to conduct an independent investigation.

The investigation is ongoing so no further details will be provided at this time.
