Final Report now available: IIU concludes investigation into serious injury during BPS arrest in Brandon

On March 9, 2021, the Independent Investigation Unit of Manitoba (IIU) had issued a media release advising that it had concluded its investigation into the injury of a male by a police service dog in an arrest in Brandon.

The Final Report of the IIU was not released as the affected person had charges pending before the Courts as a result of the incident. Those charges have now been disposed and the IIU Final Report is now available on the IIU's website. The details of this investigation were first announced on October 13, 2020.
