WPS officer charged with driving offence following IIU investigation

The Independent Investigation Unit (IIU) has concluded its investigation into a motor vehicle collision that occurred on June 4, 2021 between a police vehicle and a motorcycle.

The civilian director of the IIU has determined there are reasonable grounds to believe an offence occurred under the Highway Traffic Act (HTA).

As a result of the investigation, one officer has been issued a Provincial Offence Act ticket for disobey a traffic control device, namely a stop sign.

The IIU issued a news release on June 7, 2021 advising that it had launched an investigation into the incident.

As this matter is now before the courts, the IIU will not comment further.
