UPDATE: IIU concludes investigation into child abuse allegations

The Independent Investigation Unit of Manitoba (IIU) has concluded its investigation into allegations that a member of the RCMP physically abused a child between 2010 and 2015. After reviewing the evidence gathered as part of the IIU's investigation, the civilian director has determined there is insufficient evidence to lay charges against the officer.

A final report summarizing the IIU investigation is available at www.iiumanitoba.ca. The details of this investigation were first released on August 11, 2015.

The IIU investigates all serious incidents involving police officers in Manitoba, whether occurring on or off duty.
