IIU investigates alleged assault by RCMP officer

The Independent Investigation Unit (IIU) is investigating an allegation of assault by an off-duty RCMP officer in the north district.

On December 11, 2019, the RCMP notified the IIU of a complaint received December 6 concerning an alleged assault by an off-duty officer on December 4. Although there were no serious injuries, the IIU civilian director has determined it is in the public interest for the agency to investigate.

The investigation is ongoing, so no further details will be provided at this time.

The IIU investigates all serious incidents involving police officers in Manitoba, whether occurring on or off duty.
