Final report now available: IIU concludes investigation into deployment of ‘less lethal’ firearm by RCMP

On November 20, 2020, the Independent Investigation Unit (IIU) issued a media release advising that it had concluded its investigation into the deployment of a “less lethal” firearm by RCMP.

The final report of the IIU was not released as the affected person had charges pending before the courts as a result of the incident. Those charges have now been disposed and the IIU final report is now available on the IIU website. The details of this investigation were first announced on March 25, 2020.
